INSTRUCTIONS

WHO MUST FILE THIS REPORT

This form is to be filed with the department by persons who sell or use any untaxed product that is not a motor vehicle fuel (for example: kerosene, biodiesel, waste oil, heavy oil, naphthas, or solvents) to power a licensed motor vehicle. This includes untaxed products that are placed directly into the supply tank of a licensed motor vehicle or blended with taxable undyed diesel fuel or gasoline.

The registration information you provide on this form will allow us to establish a list of blenders for future departmental mailings. Please provide all this information even though you entered it on a prior report.

DUE DATE OF REPORT

This report and any amount owing is due on or before the 15th day of the month following the month in which the untaxed kerosene, biodiesel, or other product(s), is used for taxable purposes. For example, if kerosene is placed into a licensed motor vehicle in October, the tax owing on the kerosene along with this report is due on or before November 15. If kerosene is blended with a taxed motor vehicle fuel, the tax and report are due 15 days after the close of the month in which the blending takes place.

Mail your report plus remittance to the address shown on the front of this form.

FUEL TAX RATE

The motor vehicle fuel tax rate is:

For months after April 1, 2006 30.9¢ per gallon

PETROLEUM INSPECTION FEE

For months after April 1, 2006, the petroleum inspection fee of 2¢ per gallon is applicable to biodiesel.
